Find Books
Search the Library catalog (OPAC) online at:
http://www.calstatela.edu/library/opac/catalog.html

Tip: The most efficient way to search the catalog is by subject (Library of Congress subject heading).

Use a Library online catalog to find items and their location. Consider the following subjects:
National Security, United States; Disarmament and 11 related subject headings; Arms Control and 7 related subject headings; Nuclear Nonproliferation and 4 related subject headings, Nuclear Disarmament and 4 related subject headings and Peace and 18 related subject headings. Also: World Politics—1989; and Strategic Materials – Government policy. Try: International Relations and 56 related subject headings; Security, International and 18 related subject headings. Also: International Organization and 16 related headings.

Browse the stacks: Go to the second floor of Library North and browse the shelves by call number areas. This includes JX 1963 –peace, and JX 1974- nuclear arms control (disarmament); JZ international relations and UF 767- the bomb.

More helpful terms:
Aggression—International Law
Asymmetric warfare
Antinuclear movement
Atom bomb
Deterrence (Strategy)
Guerrilla warfare
Hydrogen bomb
Military policy
National Security
Nuclear arms control
Nuclear arms control --Verification
Nuclear disarmament
Nuclear energy
Nuclear nonproliferation—International cooperation
Rule of law
SALT (Strategic Arms Limitations Talk)
Terrorism
Terrorism --Prevention
United States—Defences
United States—Military policy
WMD
Weapons of Mass Destruction
