Navigating From the Home Page

Expandable Menus
- FASB Codification - Menus expand to display the topic, subtopic and section levels of the Codification.
- FASB Other Sources - Menus expand to display FASB's Exposure Drafts, Proposal Stage Literature documents, and other content not included in the Codification.
- FASB Pre-Codification Literature - Menus expand to display GAAP as of June 30, 2009.
  - Includes ARBs, APBs, AINs, SFASs, FINs, FTBs, and FSPs

Cross Reference Tool
- Create reports that map pre-Codification GAAP reference to the Codification sections and vice versa.
  - **By Standard**
    - Select Standard Type and Standard Number from the drop down menus.
    - Select Generate Report.
  - **By Codification**
    - Enter topic, subtopic, section and paragraph.
    - Select Generate Report.

FASB Goto Tool
- Quick link to FASB's topics, subtopics and sections.
- Enter topic number in entry box.
- Dynamic pop-up box auto fills subtopics and sections to speed up your search.
